Announcement of new Executive appointments

Centrepoint Alliance Limited (ASX:CAF) ('Centrepoint') is pleased to announce the appointment of Mr Peter Loosmore as interim Chief Financial Officer (CFO), effective Monday, 17th December 2018. This announcement completes a series of new appointments to Centrepoint's Executive Team. These appointments include the addition of Natalie Ellisdon into the newly created role of Chief Technology and Marketing Officer and Anthony Collins as Group Executive of People and Transformation.

Mr Loosmore joins Centrepoint with over 30 years' experience working in leading Australian Financial Service organisations as a Chief Financial Officer and in Senior Finance Executive roles.

A highly distinguished finance executive with a strong skillset in financial management and mergers and acquisitions, Mr Loosmore has held divisional Chief Financial Officer roles with Westpac, St George and Suncorp. More recently he has built specialised experience as an interim Chief Financial Officer for companies going through complex and significant transformation. This has included inorganic activity, mainly focused in the Australian Wealth Management industry.

Chief Executive Officer, Angus Benbow commented about the broader Executive Team appointments, "Natalie is an accomplished executive with extensive leadership in Digital Innovation, Data, Analytics and Marketing Strategy. She joins us from Australian Unity where she held the role of General Manager Group eCommerce and Retail Marketing. Prior to that she was Marketing Director at iSelect. Anthony also has an extensive background in Financial Services, having worked at Macquarie, Perpetual and BT Financial Group. He has held a wide variety of Senior Leadership roles, working in Strategy, Adviser Distribution, Business Intelligence, Product Development and Private Banking and Superannuation".

Mr Benbow added, "These appointments reflect the momentum we are building as we focus on delivering our Strategic Refresh and Centrepoint's ability to attract industry recognised leaders. The combined and expansive experience of these new Executive Team appointments across transformation, innovation and technology will help support this new direction and lead our business into the future".
