Centrepont Alliance enters agreements to acquire Cairns Wealth and Pinnacle Wealth client books

Centrepont Alliance Limited (ASX: CAF) (“Centrepont” or “the Company”), a leading provider of advice and business services to financial advice firms and customers throughout Australia, is pleased to announce that it has entered into agreements to acquire the client books and servicing employed advisers of Cairns Wealth and Pinnacle Wealth (together, the “Acquisitions”), further expanding its salaried advice business and supporting the growth of high-quality, recurring earnings.

Both practices operate within the Astute Financial Management Pty Ltd (“Astute”) network, and the transactions further strengthen Centrepont’s strategic B2B alliance with Astute, a key referral and distribution partner. The Acquisitions reinforce Centrepont’s disciplined capital deployment framework, targeting high-quality, recurring earnings streams, aligned operating models and strong adviser retention characteristics.

Strategic rationale

- **Expanded Queensland distribution footprint:** The acquisition of Cairns Wealth establishes Centrepont’s presence in all major regional centres across Queensland, further strengthening its national advice network.
- **Strengthening strategic partnership with Astute:** Both practices operate within the Astute network, continuing to deepen Centrepont’s strategic alignment and referral pathways with Astute.
- **Scalable integration model:** Cairns Wealth advisers will operate from Astute premises in Cairns, and Pinnacle Wealth advisers will be integrated into Centrepont’s Brisbane office.
- **Earnings quality:** The Acquisitions are underpinned by established recurring earnings and current adviser productivity, with retention structures designed to support continuity of earnings.
